

Farm Lease Agreement LE16-018 will include the additional term and condition as identified below in Paragraph 4 related to Special Events on adjacent property managed by the State Park Service:

4. USE OF PREMISES FOR AGRICULTURAL PRODUCTION

H. A portion of the Premises are adjacent to the area of Lusscroft Farm where Special Events sponsored by the State Park Service and in association with the Heritage and Agriculture Association volunteer group are held throughout the year. On the area of the Premises adjacent to the barns and building at Lusscroft Farm, the Tenant will be required to limit activities associated with agricultural production during the time that the Special Events are being conducted. The Park Superintendent will provide notification to the Tenant with the dates of all Special Events as identified below:

- (i). Special Events sponsored by the State Park Service: Notification will be provided at least thirty (30) days prior to the date of the Special Event.
- (ii). Special Events in association with the Heritage and Agriculture Association: Notification will be provided on or before the Effective Date of the Lease for the upcoming Lease Year. Notification shall be forwarded in accordance with Paragraph 32 of the Farm Lease Agreement.
